stock, Katenow, and ~~Reitwein (?)~~. A scaffolding 1½ to 2 metres high has been specially constructed for this cable.

Kietz. Between the railroad junction running from Kietz through the Oder and the village Kubruecken (at the very edge of the Oder) at a length of 200 metres, there are 5 anti-aircraft guns (German 88 calibre anti-aircraft(?) ) and ~~finex~~ a radar station. About 100 metres away from the radar, there are located two closed vehicles ~~(or machines)~~ with quite a few antennae and wires. The wires connected the two vehicles ~~(or machines)~~ and run into the radar. All these installations are located on the left side of the railroad track, in the direction of Kietz to the Oder. On the right hand side, there are Soviet barracks, left from the time of Hitler, as well as bunkers occupied by Soviet troops. 25X1

there may be an officers' school in these barracks, as frequently officers ~~habiting~~ carrying books and notebooks coming in and out of these buildings. 25X1
